

EXHIBITION HALL TERMS OF USE

DESCRIPTION OF EXHIBITION HALL

Originally a repair shed for train engines, the Exhibition Hall retains much of the original post and beam architecture, and even some railway tracks which remain embedded in its polished concrete floor. Natural light, high ceilings and the floor-to-ceiling windows provide a dramatic space, well-suited for large gatherings, parties, exhibitions, trade shows, conferences, performances and weddings. The outside doors provide access to the turntable plaza. Moveable art walls allow for versatile use of this space. Due to the logistics of moving these walls, they must only be moved by RHCC staff before the room can be opened to the public or for event set up. In the default set-up, one fifth of the Exhibition Hall is reserved as lobby space for the adjacent Performance Centre.

CAPACITIES

Additional items such as a stage, dance floor, or display equipment will reduce total available area and capacity and final capacity will be determined by the Technical Director.

(With the PC lobby area included; approximately 7,800 ft² is available. See ground plan.)

DÉCOR AND DISPLAY

Wooden Posts

The wooden posts in the hall are part of the original heritage structure of the Roundhouse, and therefore screwing and nailing into the posts is not permitted. String and rope are the only means by which décor may be attached to the posts.

Display Walls

Masking tape, push pins and small (1"-2") finishing nails are the only means by which décor may be attached to the moveable display walls.

ABSOLUTELY no screws or wall anchors are to be used without permission of the Roundhouse Technical Staff.

Any holes or marks made in the walls will be filled and painted by RHCC staff after the event, with the cost paid by the renter. If you wish to paint any of the display walls, the same will apply. Costs of materials and staff time will be factored into the rental fees. Please note that the red safety legs attached to the walls are not removable.

All other adhesives and fasteners are prohibited. You are responsible for removing any tape, pins or nails at the end of the event.

Perimeter Walls

The perimeter walls of the room may not be painted or defaced in any way. Only the picture rail along the east wall may be used to attach hanging décor. Lightweight materials may be affixed with masking tape.

STAFFING

The guidelines below are minimum requirements. Additional staff may be required as per discussion with the TD and based on RHCC staffing policies. These staff will be provided at an additional charge over and above the base room rate. Staff are responsible for public safety and ensuring emergency procedures are followed. Professional security is required for some events, at the discretion of the Production Team.

The following staff are the minimum required during your set up, function, and take down, and will be charged to your event, depending on specific requirements.

All events.....At least 2 RH staff member

Events with alcohol.....At least 2 RH staff member plus at least 1 security guard

Any event after RHCC hours..... At least 2 RH staff member plus 1 Front desk staff

*Set-up and take-down of staging and display walls requires 2 RH staff. In most situations these staff will also be available to assist with other aspects of event set-up.

*RH staff must be paid for a minimum 4 hour shift.

*These staffing levels assume that the set-up and takedown of tables, chairs etc. is the responsibility of the client.

*Staff shifts exceeding 5 hours must include at least a half hour unpaid meal break.

*If the staff are required to work through their scheduled breaks, they will be paid at the overtime rate for the duration of that break.

*Changes to the scheduled hours of work must be approved in advance by the TD.

*Staffing on statutory holidays will be paid at the overtime rate.

STUDIO SPACES

The RHCC pottery and woodworking studios are adjacent to the Exhibition Hall along one wall. Access to these spaces must be maintained when these rooms are in use. Please be aware that there may be noise from these rooms that can affect your event.

No objects or materials that could set off the motion detectors are permitted overnight in any part of the facility (i.e. balloons, streamers, etc.). Helium balloons, glitter and confetti are not permitted in the facility.

The use of live wood products is not permitted in the facility as they are a danger to the 130+ year old wood beams.

The RHCC is not responsible for lost or stolen items.

USE OF TOOLS AND EQUIPMENT

Equipment provided or arranged by the renter must be approved by the TD in advance.

You are expected to provide any specific tools that may be required for your event. In an emergency, the RHCC has a basic kit of general tools and supplies.

All RHCC equipment must be operated by RHCC staff only unless otherwise arranged in advance. This includes the sound and lighting equipment, blinds, exhibition display walls, staging risers, and scissor lift.

Any overhead suspension of objects must be installed by an RHCC staff person.

GARBAGE

The RHCC is a Zero Waste facility and all patrons are required to sort their waste into appropriate containers. All cardboard must be broken down and flattened, containers rinsed of debris.

The renter is responsible for removing all equipment and supplies at the end of the event, and for general clean-up of debris, garbage and food waste to ensure that the venue is in reasonable condition for the next user. The kitchen includes a 6-burner gas stove with 2 ovens (1 conventional, 1 convection) and 1 grill, a double sink, a food sink, a hand-washing sink, dishwasher, limited refrigerator and freezer space, and ample counter space.

On the day of your event, an RHCC staff person will conduct a Kitchen Orientation to familiarize you (or your caterer) with our facilities and to ensure proper equipment usage. The room rate for the kitchen includes one staff person for up to 8 hours, who will be available to assist other RHCC staff in the main event rooms as schedule permits. In some circumstances, this person may be able to replace one of the other staff on your event, as determined in consultation with the TD.

In order to provide alcohol at your event, **you must obtain an appropriate liquor license** which indicates the room/area, date and times of service. See <http://www.pssg.gov.bc.ca/lclb/index.htm> for more information. A Liquor license must be clearly displayed where alcohol is being served. Incorrect or incomplete liquor licenses' will not be granted liquor service. Failure to display a valid liquor license will result in loss of liquor privileges. A liquor server with a valid "Serving It Right" Certificate must be present at all times alcohol is being served. A photocopy of certification is required to be submitted with the liquor license prior to the event. See http://www.servingitright.com/terms_of_use.html for more information. Alcohol is not permitted outside the rental space listed on the liquor license. Failure to comply will result in loss of liquor privileges.

If food/beverages are being handled in an unsanitary fashion, the RHCC staff reserve the right to take appropriate action and you may be denied further food service.

Storage space and refrigeration space is limited in the kitchen and may or may not be available. This can be confirmed through consultation with the TD.

You are free to engage the services of any caterer of your choosing. When using a catering service, the renter must provide the name and contact number of the caterer. You (or your
