ABOUT THE ROUNDHOUSE

In September 1996, the Roundhouse Advisory Committee, composed of neighbourhood representatives, heritage supporters, members of the arts community and Park Board staff, undertook a retreat to work through a vision for the Roundhouse. The following is the result of those discussions:

The overall mission is to celebrate diversity... of people, values, ideas and activities.

This mission is made up of three key elements:

THE ROUNDHOUSE AS PROJECT
All of us who work or play or socialize at the Roundhouse will be active participants in an evolving project to find new and creative ways to integrate the arts, community, culture and sports.

THE ROUNDHOUSE AS OASIS
The Roundhouse is located in the centre of one of the largest urban experiments in history, transforming a few hundred acres of mostly vacant lots into one of North America’s densest and most diverse urban sites. The Roundhouse will be an oasis in the centre of this dynamic mix, enabling people to use their creativity and energy (at whatever level) to rejuvenate themselves and to be better equipped to face a blurred of challenges and opportunities around them.

THE ROUNDHOUSE AS CONNECTION
The Roundhouse exists to identify and serve the needs of widely divergent communities. To do this the Roundhouse must reach out to the places and situations where those communities feel comfortable. These relationships will grow into Roundhouse programs through sponsorships, partnerships, and our own productions.

WHERE WE ARE
The Roundhouse is located at the corner of Davie St & Pacific Blvd • The Yaletown-Roundhouse Canada Line Station is 200 metres from us • Bus routes 6 & C23 stop within steps of the Roundhouse.

GETTING TO THE ROUNDHOUSE
Walking from Granville Street, head east down Davie five blocks • Underground pay parking is available (access off Drake). ROUNDHOUSE SOCIETY

PRESIDENT’S MESSAGE

Welcome to our spring and summer line up of programs and events at the Roundhouse! There are many wonderful opportunities to get involved as we transition to spending more time enjoying the outdoors and sunshine.

At the Roundhouse, we welcome Recreation Programmer Natalie Vermaas, who brings many years of experience to our team. She is introducing new programs, including an Emergency Childcare and Emergency First Aid offered for Adults, and Parent and Child Educational workshops that encourage building healthy communities.

Highlights of the upcoming arts and culture season include the Reel 2 Real International Film Festival for Youth, the Vancouver Comic Arts Festival, Emergence: a musical mentorship workshop for women, the Queer Arts Festival 2020: Wicked, and the Vancouver Outsider Arts Festival. Our annual gala and exhibition of the Arts & Health: Healthy Aging through the Arts program will take place on June 6, where we will celebrate the incredible creative work of seniors and artists in our communities.

Families should be sure to check out the Winds & Percussion Music Parade on June 5 that will start downtown and conclude at the Roundhouse Turntable, and we look forward to, of course, seeing you at our annual Roundhouse Fun Fair on August 16 from 12-5pm.

Keep up to date on these programs and more by subscribing to the Roundhouse View, our monthly e-newsletter which you can sign up for on our Newsletter page at www.roundhouse.ca.

For those interested in governance and leadership, we are actively seeking interested candidates to join us by playing a meaningful role on the Roundhouse society’s board of directors. Please reach me directly at president@roundhouse.ca if you are interested in finding out more. A heartfelt thank you, as always, to the Roundhouse staff and volunteer teams for their continued hard work. We look forward to having you, our guests, join us for another season of fun, laughter, and activity.

Andrew Dills
Acting President, Roundhouse Community Arts and Recreation Society

RESIDENCIES GALLERIES

WHAT IS A ROUNDHOUSE ARTIST IN RESIDENCE? FREE

Participate in a free Artists’ Residency and collaborate with professional artists on projects that build creative community. The Artists in Residence program is an important part of our commitment to community cultural development: promoting diversity, interdisciplinary activity, innovation, collaboration, and involvement. This is your opportunity to create original theatre, dance, music, and visual art with some of Vancouver’s most talented artists.

DANCE

Community-engaged dance residencies at Vancouver Park Board facilities bring together people of all ages, abilities, and cultural backgrounds to explore, create, and perform dance with professional dance artists. Dance residencies from across the city—including the Roundhouse—will come together to perform at LINK Dance on Jun 3. See page 12.

VISUAL ARTS

Have you participated in Sarah Ronald’s Roundhouse visual arts residency yet? Her interactive project explores ideas around how we see ourselves as individuals and how we connect as a community. It continues through spring and summer with FREE workshops and projects. See pages 41-43.

See page 10 for more info.

MAKE ART IN OUR PARKS

Visit over 50 artists making art in Vancouver Park Board’s Fieldhouse Studios – transformed former caretakers’ suites in parks or underused facilities across Vancouver into active spaces for community engaged creative practices. In each cycle, artist collectives, food, greening and environmental groups are given free access to these spaces in exchange for engaging neighbours, colleagues and curious visitors in imaginative, collaborative work. These inspiring projects lead communities into deeper conversations about living in the urban environment. Find out more about all 22 Fieldhouse Programs across the Vancouver Park Board at vancouver.ca/fieldhouse-programs.

“Wickedness is a myth invented by good people to account for the curious attractiveness of others.”
— Oscar Wilde
This past decade has seen the mainstreaming of gay; sexual difference wins approval so long as it is palatable, marketable, and doesn’t stray too far from bourgeois notions of taste and morality. Our 2020 theme Wicked reimagines identity politics, exposing the implications of homonormativity as erasure. Highlights include Johnny Sopotiuk’s visual arts curation; choreographer Noam Gagnon’s raucously vulnerable biographical exploration of madness, This Crazy Show; a decolonized reframing of Annea Lockwood’s rarely performed classic Piano Burning in partnership with Full Circle First Nations Performance; and Leaving Kansas, a community-engaged participatory concert from Jerry Pergolesi and Louise Campbell.
